

Terms and Conditions

Users of www.oic-europe.eu are subject to the following terms and conditions, plus any additional terms and conditions posted on other pages of the site:

- 1. Copyright:** All items on the site are copyright of Osstem Europe s.r.o. This copyright includes all text, graphics, and the site design. Any reproduction or republication of the aforementioned items is strictly prohibited without written permission.
- 2. Dynamic Nature of the Website:** The website, www.oic-europe.eu, is dynamic, meaning changes are made regularly. Neither Osstem Europe s.r.o nor its affiliated entities make any promises, implied or otherwise, about the fitness of any technique, piece of equipment, or material for a particular purpose.
- 3. Liability:** Osstem Europe s.r.o or its affiliated entities will not be liable for any damages of any kind or loss of profits that might arise from information found on this site, regardless of whether Osstem Europe s.r.o has been advised of the possibility of such damages.
- 4. Use of Information:** The material contained on www.oic-europe.eu is offered as information only and should not be used to replace any practice, financial, accounting, legal, or other professional advice that users might obtain from their professional advisors.
- 5. Clinical Situations:** Information on www.oic-europe.eu should not be substituted for the individual judgment brought to each clinical situation by a patient's dental practitioner. The techniques and opinions presented on this site reflect the science of dentistry at a particular point in time, and users should be aware that continued research on these topics may provide new knowledge or recommendations.
- 6. Business Decisions:** Osstem Europe s.r.o does not, via www.oic-europe.eu or any of its affiliated sites, encourage dentists to make any particular business decision based on issues addressed herein. Business decisions and decisions about individual patients and methods of practice are personal decisions, and the responsibility for these decisions rests upon the shoulders of the attending dental practitioner.
